How Your Contribution To Auction 2025 Helps

The School of Hospitality Business/The School of Hospitality Business Alumni Association Destination Auction began in 1991. This annual event is a major fundraising extravaganza bringing together the efforts of hospitality business students, faculty, and staff, as well as alumni and industry leaders. Net proceeds are divided between the student Hospitality Association and The School of Hospitality Business Alumni Association to support programs and clubs within both organizations. Each year the Auction Committee chooses local charitable organizations to share proceeds from the event.

The mission of the Hospitality Association (HA) is to create and refine hospitality business leaders by providing forums for academic growth, industry experience, leadership roles, and career-enhancing opportunities by encouraging social interaction and the development of student unity. HA helps with student travel to industry conferences, workshops, and competitions; hosts roundtable and panel discussions; organizes industry tours; presents two graduation celebrations; as well as many exciting leadership activities. HA is the parent organization to eight student clubs and three events.
