How Your Contribution To Auction 2025 Helps

The School of Hospitality Business/The School of Hospitality Business Alumni Association Destination Auction began in 1991. This annual event is a major fundraising extravaganza bringing together the efforts of hospitality business students, faculty, and staff, as well as alumni and industry leaders. Net proceeds are divided between the student Hospitality Association and The School of Hospitality Business Alumni Association to support programs and clubs within both organizations. Each year the Auction Committee chooses local charitable organizations to share proceeds from the event.

The Junior League of Lansing (JLL) is an organization of women committed to promoting volunteerism, developing the potential of women, and improving the community through the effective action of trained volunteers. Its purpose is exclusively educational and charitable. A volunteer powerhouse in the greater Lansing community for over 90 years, JLL is well known for their valuable volunteer hours and financial support members provide to many of the community's most successful non-profit organizations.

Arts are at the center of the human experience, and, equally, their purpose expresses what it means to be alive. Art is created for and by people, and that's why we believe there should be no barriers: social, economic, or physical. Your gift to Arts Within Reach will ensure that every person can experience the power of live performances. "Arts Within Reach" provides access to the arts and education programs for economically challenged children and their families. It has been such a successful program that we are now expanding the program to other audiences that face barriers to the arts.

The mission of the Hospitality Association (HA) is to create and refine hospitality business leaders by providing forums for academic growth, industry experience, leadership roles, and career-enhancing opportunities by encouraging social interaction and the development of student unity. HA helps with student travel to industry conferences, workshops, and competitions; hosts roundtable and panel discussions; organizes industry tours; presents two graduation celebrations; as well as many exciting leadership activities. HA is the parent organization to eight student clubs and three events.

The mission of The School of Hospitality Business Alumni Association is to provide active leadership in support of the mission of The School through membership participation, image enhancement, financial commitment, and promotion of synergies among students, faculty and staff, alumni, community, and industry partners. The School's Alumni Association hosts a variety of alumni receptions, two national meetings, Homecoming reception, and numerous regional events each year.
